The banner depicting our 1903 church was made by Etta Wegner of Pullman to represent our Palouse Conference at District Conventions.

We celebrate. We celebrate those who have come before us, who have been so faithful, who have given us the legacy, the inheritance, that is here in Cameron Emmanuel Lutheran Church.

In gathering information, we have learned the importance of keeping good records, of leaving bread crumbs on the path to follow. In some cases, we found the crumbs were blown away, or were not dropped where easily found. It is a good lesson to learn, to be organized and leave complete records in both word and photos. We ask that as you read through these pages, if you find errors, or can find some of the bread crumbs we've missed, please let us know.

What will they say of us in twenty-five years? Who will be here to follow our path? What seeds are we sowing? What will the harvest be? We pause to look back, but keep moving forward. May those to come find us faithful. May God's Word continue to grow and thrive here in this place that is Cameron Emmanuel.
